Meyer Bloomfield, Esq.,

Boston, Mass.

My dear Mr. Bloomfield:

I am returning you herewith Mr. Gompers letter of the 8th, which, with its vaunted knowledge, discloses on its face a woeful ignorance of scientific management.

Won't you undertake to make clear to the honored President the fact that scientific management leaves as much room for collective bargaining as does his present chaotic system?

Encl.

Yours very truly,

Louis D. Brandeis
