

DEPARTMENT OF COMMERCE
OFFICE OF THE SECRETARY
WASHINGTON

June 3, 1925.

Mr. Meyer Bloomfield,
Woolworth Building,
New York City.

Dear Mr. Bloomfield:

I am sending you herewith copy of a statement which I recently made on reorganization of the Government Departments, which perhaps you would care to look over. As this subject is one of some importance I would be grateful if you could give me any suggestions or any experience which could bear upon it.

Yours faithfully
