Jan. 5th-1922.

Mr. Meyer Bloomfield,  
West Roxbury, Mass.

Dear Mr. Bloomfield:-

When I was in Boston the other day, some of our friends reminded me that you ought to be lined up with the work we are doing. Just for the sake of making your interest felt in another direction when calls for action come, we need you and I hope we may have your cooperation.

I enclose a folder and a card which tell the whole story.

Best wishes for the new year.

Yours sincerely,

RNB/IE
