

THE WHITE HOUSE  
WASHINGTON

December 3, 1969

Dear Linc:

I appreciate your sending me the draft conclusions from the third CONEX game. The general subject with which they deal, the control of limited conflicts in the LDC's, is obviously as important as it is delicate.

I shall give serious consideration to your conclusions. I note that Bob Osgood is cognizant of them too. Send us any sequels to this paper that may carry your analysis further.

Warm personal regards,
