OFFICE OF THE SECRETARY

WASHINGTON

June 2, 1924

Mr. Meyer Bloomfield
6 Beacon Street
Boston, Mass.

My dear Mr. Bloomfield :

Many thanks for your letter of May 28th.
Any time you happen to be in Washington on other mat-
ters I would be glad to see you and discuss Russia.
There is nothing particularly pressing which would
warrant your making a special journey on the subject
however.

Yours faithfully,

Herbert Hoover
